

Ribbed Neck warmer

Really quick to work in a seeded rib stitch, this neck warmer is perfect for the chilly months when you want something to keep you warm that isn't too bulky. Great for using up leftover yarns, and with a one row pattern to remember is ideal for a project when you're on the go!

You will need:

- 100g yarn (Double Knit, Aran or Chunky – your choice). Here I used Cygnet chunky.
- Pair of knitting needles in 6 mm, 8 mm or 10 mm to suit your yarn choice. (I used 8 mm)
- Button for decoration
- Large Eye sewing needle

Cast on:

- 29 stitches if using 6mm needles
- 25 stitches if using 8mm needles
- 21 stitches if using 10mm needles

Each row is the same pattern, which is repeated until the neck warmer measures 25 inches or 64 cm.

Knit 1, Purl 2, *(Knit 1, Purl 3). Repeat from * to last 2 stitches, knit 2.

Cast off 12stitches / 16 stitches/ 20 stitches (depending on how many stitches you cast on.

Make button tab:

Knit 2 rows (knit every stitch)

Decrease 1 stitch at the beginning of each row by knitting 2 stitches together, until you have 1 stitch left.

Cast off.

Thread your needle with yarn and join the cast off seam to the side seam, starting with the bottom and sewing behind the button tab. Weave in all loose ends of yarn and trim.

Attach button with matching thread in middle of button placket for decoration.

Alternatives: If you don't want to add a button, or work the button tab you can simply cast off all stitches when you have worked 25 inches / 64cm. You can add brooches instead of buttons, or even a flower corsage!
